

YESHPAL SINGH

Java Developer | Java Full Stack Developer

y3shpal@gmail.com | +91 7986040320 | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Java Full Stack Developer (Fresher) with hands-on experience in building scalable web and desktop applications using Java, Servlets, JSP, JDBC, and MySQL. Strong foundation in OOP, REST APIs, and SDLC. Passionate about problem-solving and developing efficient, user-focused applications.

TECHNICAL SKILLS

Languages:	Java, C++, C
Frameworks & Concepts:	Spring Boot, Spring Security, Spring Framework, Spring Data JPA, Hibernate, REST APIs, OOP, SDLC
Web Technologies:	HTML5, CSS3, JavaScript, Thymeleaf
Databases:	MySQL, SQL, PostgreSQL, MongoDB
Tools:	Git, GitHub, Postman, IntelliJ IDEA, Apache NetBeans, Render, pgAdmin, MySQL Workbench

EXPERIENCE

Intern – TechSquare Solutions Pvt Ltd

2023

- Developed a Java-based educational web application using Servlets, JSP, and JDBC.
- Implemented session management and user authentication.
- Designed and optimized SQL queries for efficient data handling.
- Built interactive UI components for seamless user experience.

PROJECTS

Snake and Boundary Game:

- Developed using Java Swing with real-time movement, collision detection, and scoring system; implemented restart functionality and event-driven game logic.

Portfolio Website (Live)

- Designed responsive personal portfolio using HTML, CSS, and JavaScript; implemented animations, sticky navigation, and interactive UI features.

Online Quiz Application (Live)

- Built a full-stack quiz platform using Spring Boot, Spring Security, Thymeleaf, PostgreSQL, and MySQL.
- Implemented user authentication, email OTP password recovery, leaderboard, quiz history, dark mode, and admin dashboard.
- Developed category-wise quizzes, review system, and responsive UI.
- Deployed on Render with PostgreSQL database integration.
- [Live It :- https://online-quiz-yetw.onrender.com/](https://online-quiz-yetw.onrender.com/)

EDUCATION

Bachelor of Computer Science and Engineering - I.K. Gujral Punjab Technical University

2019 – 2023
